Administrative Action  
AMENDED REINSTATEMENT ORDER

This matter was opened to the New Jersey State Board of Dentistry (hereinafter "Board") upon an application for modification of the Reinstatement Order filed with the Board on November 28, 1989. The application is made by Anthony LaBue, Esq., on behalf of William Pritz, D.D.S. Specifically, Dr. Pritz has requested that the limitation on his licensure provided by the Reinstatement Order requiring that he practice dentistry only as the employee of another New Jersey licensed dentist be eliminated. The Board had an opportunity to review numerous documents submitted by counsel for Dr. Pritz in support of the application and also heard the arguments of counsel on June 20, 1990.

The Board having thoroughly reviewed the entire record before it and after diligent deliberations and for good cause shown determined to amend the Reinstatement Order as follows:

IT IS, THEREFORE, ON THIS 23<sup>rd</sup> DAY OF JUNE, 1990,

ORDERED THAT:

1. The Reinstatement Order filed with the Board on November 28, 1989, shall be amended to the extent that Dr. Pritz no longer shall be required to practice dentistry as the employee of another New Jersey licensed dentist. However, Dr. Pritz shall not practice dentistry in any dental office or facility where nitrous oxide is present. In the event nitrous oxide currently is used in any office where he works, Dr. Pritz personally shall be responsible to see that all such equipment associated with nitrous oxide is completely removed from the premises.

2. All other terms and conditions of the Reinstatement Order filed by the Board on November 28, 1989, that are not inconsistent with this Order shall continue in full force and effect.

3. Dr. Pritz may apply for modification of the terms and conditions of the Reinstatement Order no sooner than six (6) months from the effective date of this Amended Order which shall be June 20, 1990.
